## **Services: ADAD (Adult Drug and Alcohol Division)**

ADAD is an ICM (Integrated Case Management) program for persons with drug and alcohol problems who are under the supervision of one of four departments of the Criminal Justice System (Department of Public Safety's Intake Service Center, Judiciary's Adult Probation, Department of Public Safety's Corrections Division, Hawaii paroling Authority), who refer cases to us. In a year we service approximately 60 pre-trial release offenders, 75 felons on probation, 17 inmates in transition, and 88 parolees. Service is provided on the islands of Hawaii, Kauai, Maui, and Oahu. The primary purpose of this program is to rehabilitate and enable consumers to return to the highest possible level of functioning. The staff to consumer ratio is 1 FTE (full-time equivalent) staff person for an average of 25 active consumers, excluding administrative, clerical, and ancillary staff.

## **IOP (Intensive Outpatient)**

CARE Hawaii offers services to all age groups and includes access to adjunct therapies that support recovery for the

individual and family. We currently offer outpatient and intensive outpatient services for both adolescents and adults—an expanded array of services that include on-site assessments, co-occurring disorder services, and matching the client to the appropriate services. Services typically span 12-16 weeks of an individualized program for the effective treatment of substance abuse and dependence disorders

**Pakolea ADAD Adolescent Intensive Outpatient Treatment Program**

This program provides intensive outpatient substance abuse treatment services for adolescents who meet DSM IV-TR substance abuse/dependence criteria. The program uses a curriculum to teach about positive coping skills, improve self-efficacy and build social skills. Referrals accepted from parents, schools, other providers, etc with preference given to Windward youth.

Veri-5 is a personal drug screen collection kit that can be used confidentially in your own home. Collect a urine specimen, in the provided container with a confidential PIN number, and drop it off at the closest DLS satellite lab for accurate and confidential testing. Call 589-5282 the next workday morning, provide your PIN number and receive the results confidentially over the phone.

- Use for a personal drug test or to test a family member. Veri-5 tests for five popular street drugs: amphetamines "crystal meth" or "ice", cocaine, marijuana, opiates and PCP.
- Provides you accurate laboratory drug testing without a physician request.
- Have an experienced laboratory run your test. No kit to figure out, interpret, and wonder if the test is accurate.
- Results given by confidential PIN number over the phone.

**NOTE: Veri-5 results are not intended for medical, workplace or law enforcement purposes.**

Veri-5 is available at all [DLS Satellite Locations](#).

**If you are concerned about a family member that may be abusing either illegal or prescription drugs, please consult your family physician.**
